EST. 1986

The Johnson Co. Iris & Daylily Society is an affiliate of the American Iris Society and the American Hemerocallis Society and a Section 501 (c) (3) non-profit organization. Our mission is to encourage interest in the growing and propagation of the Iris and Hemerocallis families.

We welcome all guests and encourage membership in JCI&DS as well as membership in the AIS and AHS. Informative programs are presented each month. Yearly Iris Show is held in April and a Daylily Show is held each June. All meetings and shows are open to anyone who wishes to enter. There is no charge for entry or to come look at the beautiful blooms. A plant sale is held each September where members bring iris rhizomes and daylily fans for sale to the public to help raise funds for the organization. Yearly iris and daylily auctions, giveaways and exchanges are held to help active members obtain newer varieties. Our meetings are held on the second Saturday of each month at 10:00 a.m. (noon in August and December). We meet at the United Cooperative Services Community Room, 3309 North Main St., Cleburne, TX.

Youth membership is encouraged.
