GENERAL SHOW RULES

1. Exhibition is open to all daylily growers. Horticultural entries must have been grown, groomed and entered by the exhibitor(s). Entries may not be entered by anyone not at the same physical address as the owner/grower of the daylily. (Exhibitors may not ask anyone to enter their flowers for them).
2. Only AHS members are eligible to win AHS rosettes and other society sponsored awards. However, they may be new members who join at show.
3. All entries will be received (checked by Classification Committee) between the hours of 8:00 a.m. and 9:45 a.m. Late entries arriving after 10:00 a.m. (acknowledged by Classification Committee) may be entered **FOR DISPLAY ONLY and will not be judged. Entries will not be placed in the display area** after 10:00 a.m.. No entry may be removed before 4:00 p.m.. Exhibits not removed by 4:30 p.m. will be discarded. Ribbons and awards, if not claimed at this time, will be made available at a later date upon request.
4. Containers consisting of green bottles or vases will be provided by the exhibitor and official AHS entry tags will be furnished by Johnson County Iris & Daylily Society.
5. **Only members of the Placement Committee are permitted to place entries in the display area.**
6. Judging will begin promptly at 10:15 a.m. Only Judges, Clerks, General Show Chair, Judges' Chair, Classification Chair, and the Photographer will be allowed in the exhibition area during judging.

HORTICULTURE RULES

1. All horticulture exhibits eligible for AHS rosettes and medals must be entered on-scape.
2. Registered cultivars are to be entered on scapes whose overall height does not exceed 34 inches.
3. All seedlings (including pre-registered cultivars) shall be severed as near the base as possible regardless of height. If the height of the seedling makes transport difficult, if not impossible, the exhibitor may trim the excess scape height, preserving the cut portion of the scape. The cut portion of the scape must then be placed alongside the base of the container holding the entry.
4. A seedling having won the AHS rosette in any other show is not eligible.
5. Entry tags for seedlings must be marked with the word **SEEDLING** in the space for cultivar name. Names, numbers or any other identifying marks are not permitted on the visible portion of the folded tag.
6. Eligibility for exhibitors in the Youth sections shall continue through the end of the calendar year following the youth's eighteenth birthday.
7. Cultivars listed on the official spider list must be exhibited in Section 6 unless they are: (1) a Popularity Poll exhibit, (2) part of a local collection, (3) a Youth Section exhibit, or (4) registered as a multiform cultivar. (Refer to *Multiform Classification Code* on page 7)
8. Cultivars whose names are **not** listed in the AHS checklists or supplements may **not** be exhibited in any Division, Section, Class or Group where registered cultivars are specified. They must be entered in the seedling section (Section 10). They may also be entered in the Ophelia Taylor Horticultural award (Section 12) in Class 2. They may also be entered in the Achievement Medal (Section 11), however, this option is only available to the hybridizer of the entry. The entry tag must be marked with the word **SEEDLING** in the space for cultivar name. Names, numbers or any other identifying marks are not permitted on the visible portion of the folded tag.
9. Popularity Poll cultivars must be exhibited **only** in Section 9 unless they are Youth exhibits.
10. Unusual form cultivars, registered as such, must be entered in Section 7 and **only** those listed on the official Unusual Form cultivars list may be entered in Section 7 unless they are: (1) a Popularity Poll exhibit, (2) part of a local collection, (3) a Youth Section exhibit, or (4) registered as a multiform cultivar. (Refer to *Multiform Classification Code* on page 4).

11. Double form cultivars, registered as such, must be entered in section 5 and only those listed on the official Double Form Cultivars list may be entered in Section 5 unless they are: (1) a Popularity Poll exhibit, (2) part of a local collection, (3) a Youth Section exhibit, or (4) registered as a multiform cultivar. (Refer to *Multiform Classification Code* on page 4)
12. Only one entry per named class is allowed per household.

JUDGING STANDARDS FOR ACCREDITED SHOWS

1. All judging of an accredited show will employ AHS standards.
2. All horticulture sections must be judged by AHS Exhibition judges.
3. Each panel of judges shall be the final authority for each section and group in which it judges.
4. Only the Classification Chair has the authority to disqualify any entry that is damaged or does not conform to the schedule.
5. The appropriate AHS scale of points will be used for: (1) Registered cultivars on-scape, (2) Seedlings on-scape and (3) Individual flowers of registered cultivars off-scape.
6. The AHS standard system of awards will be used.
7. All scapes receiving the AHS rosettes or purple ribbons must score 95 or above by the AHS scale of points.
8. Registered cultivars will be classified as registered, by size, and by form; they will be grouped alphabetically within each section. No distinction is to be made between the classification of diploids and tetraploids.
9. Each registered cultivar shall constitute a name class. A single entry may be given an award if the judges consider it a superior exhibit. An exhibitor may have only one entry per name class.
10. Each seedling or pre-registered cultivar (a pre-registered cultivar is considered a seedling) shall constitute a class to be judged on individual merit. Each entry may be given an award if considered a superior exhibit.
11. If Division I, AHS Rosette eligible Sections 1-10, are subdivided or judged by more than one panel of judges, the purple awards must be point scored to determine a single winner since there is only one AHS rosette for each of these Sections.

Multiform Classification Code for Shows

To assist Classification chairs in determining where to place polymerous and multiform flowers, use the Multiform Classification Code shown indicated below:

Registered as:	Place in Show Section:
Double/Spider Flowers	Double, Polymerous, and Multiform Flowers
Double/Unusual Form Flowers	Double, Polymerous, and Multiform Flowers
Double/Polymerous Flowers	Double, Polymerous, and Multiform Flowers

It is recommended that the Classification Committee use the AHS Online Registration Database to classify each registered cultivar by typing the cultivar name into the “Advanced Search” screen of the database. The appropriate Horticulture Division I and II show sections will be shown automatically. A complete list of multiform-registered cultivars will be made available to each show and classification chair.

AHS STANDARD SYSTEM OF AWARDS

Judging of each cultivar in each class shall be done by the American Hemerocallis Society system of awards:

One First (Blue) which must score 90 or above.

One Second (Red) which must score 85 or above.

One Third (Yellow) which most score 80 or above.

For registered cultivars, only one blue, red and yellow may be awarded in a given name class. For seedlings, each exhibit in the section is judged on its own merit and is thus an award-eligible class.

MAJOR AWARDS

The AHS Purple Award is awarded to each blue ribbon winner scoring 95 or more within Sections 1-10 of Division I.

The AHS Section Rosette is awarded to the most outstanding purple ribbon winning entry in Sections 1-10 of Division I.

The AHS Best-in-Show Rosette is awarded to the best of the AHS Rosette winners in Sections 1-10 of Division I.

The AHS Sweepstakes Rosette is awarded to the exhibitor winning the most blue ribbons in Division I, Sections 1-10. In the event of a tie, purple ribbons will be counted. If a tie should still exist, red, then yellow ribbons will be counted.

The AHS Tricolor Rosette is awarded to the best design in Division IV, Section 1, scoring 95 points or more. This entry qualifies to compete nationally for the AHS Tricolor Medal.

The AHS Designer's Choice Rosette is awarded to the best design in Division IV, Section 2, scoring 95 points or more.

SPECIAL HORTICULTURE DIVISION AWARDS

(Required element)

The AHS Achievement Medal is awarded to the originator of each entry of 3 different seedling scapes in Division I, Section 11 scoring an average of 90 points or more, and which in the opinion of the judges shows adequate merit and *distinctiveness* as compared with existing cultivars. Entries must be entered by number as assigned by the Classification Committee. Each of the judges on the panel assigned to judge the entries will point score each scape individually. The score sheets will be returned to the General Show Chair and Tabulation Committee Chair who will tabulate the scores. Scores will NOT be official until they have been verified by the Exhibitions Chair or the Exhibitions Committee.

The **Ophelia Taylor Horticulture Award** is awarded to every 5-scape entry in Division I, Section 12 that scores 95 or more points per scape for the 5-scape entry. The score sheets will be returned to the General Show Chair and Tabulation Committee Chair who will tabulate the scores. Scores will NOT be official until they have been verified by the Exhibitions Chair or the Exhibitions Committee.

The **AHS Award of Appreciation**, a rosette, may be given at the discretion of the local show committee, not the judges, to one or more noncompetitive educational exhibits in Division III to show appreciation for the significant efforts involved.

Note: Local Rules cannot require a judge to be asked to judge induced tetraploids or species for which no registered standard exists, or to treat behavior, like double or polycerous flower characteristics, as a merit if the exhibits are not registered as such.
