GENERAL SHOW RULES

1. Exhibition is open to all daylily growers. Horticultural entries must have been grown, groomed and entered by the exhibitor(s). Entries may not be entered by anyone not at the same physical address as the owner/grower of the daylily. (Exhibitors may not ask anyone to enter their flowers for them).
2. Only AHS members are eligible to win AHS rosettes and other society sponsored awards. However, they may be new members who join at show.
3. Entries will be received (checked by Classification Committee) at the show site Saturday, June 8, 2019 between the hours of 8:00 a.m. and 10:00 a.m. Late entries arriving after 10:00 a.m. (acknowledged by Classification Committee) may be entered FOR DISPLAY ONLY and will not be judged. Entries will not be placed in the display area after 10:15 a.m. No entry may be removed before 4:00 p.m. Exhibits not removed by 4:15 p.m. will be discarded. Ribbons and awards, if not claimed at this time, will be made available at a later date upon request.
4. Uniform containers for daylilies on-scape and off-scape and official AHS entry tags are furnished by the Daylily Growers of Dallas.
5. Only members of the Placement Committee are permitted to place entries in the exhibition/display area.
6. Judging will begin promptly at 10:30 a.m., Saturday, June 8, 2019. Only Judges, Clerks, Show Chairpersons, Judges Chairperson, Classification Chairperson, and the Photographer will be allowed in the exhibition area during judging.
7. Show officials, the Daylily Growers of Dallas and the Johnson County Iris & Daylily Society will exercise all precautions for protecting exhibits but neither they, J.N. Long Cultural Arts Complex, will be responsible for any loss or damage that may occur.
8. An exhibitor may enter as many specimens as desired; however, not more than one scape of the same cultivar will be shown, except in Division I, Section 11 or Section 13.

HORTICULTURE RULES

1. All horticulture exhibits eligible for AHS Rosettes and medals must be entered on-scape.

2. Registered cultivars are to be entered on scapes whose overall height does not exceed 36 inches.
3. All seedlings (including pre-registered cultivars) shall be severed as near the base as possible regardless of height. If the height of the seedling makes transport difficult, if not impossible, the exhibitor may trim the excess scape height, preserving the cut portion of the scape. The cut portion of the scape must then be placed alongside the base of the container holding the entry.
4. A seedling having won the AHS rosette in any other show is not eligible.
5. Entry tags for seedlings must be marked with the word **SEEDLING** in the space for cultivar name. Names, numbers or any other identifying marks are not permitted on the visible portion of the folded tag.
6. Blooms not on-scape are not eligible for the AHS Rosettes and will not count towards the Sweepstakes Award.
7. Eligibility for exhibitors in the Youth Section shall continue through the end of the calendar year following the youth's eighteenth birthday. Youth entries are not confined to the Youth section, but youth exhibitors must either exhibit in the youth section or adult sections, not both. However, if a youth exhibits in the youth section, the youth may not be denied entry in the Seedling, Popularity Poll, Achievement, and Ophelia Taylor Horticultural sections. Note: A youth may not enter the same cultivar in both the youth section and the seedling and/or popularity poll section.
8. Cultivars listed on the official spider list must be exhibited in Section 6 unless they are: (1) a Popularity Poll exhibit, (2) part of a local collection, (3) a Youth Section exhibit, or (4) registered as a multiform cultivar. (Refer to Multiform Classification Code).
9. Cultivars whose names are **not** listed in the AHS checklists or supplements may **not** be exhibited in any Division, Section, Class or Group where registered cultivars are specified. They must be entered in the seedling section (Section 10). They may also be entered in the Ophelia Taylor Horticultural award (Section 12) in Class 2. They may also be entered in the Achievement Medal (Section 11), however, this option is only available to the hybridizer of the entry. The entry tag must be marked with the word **SEEDLING** in the space for cultivar name. Names, numbers or any other identifying marks are not permitted on

the visible portion of the folded tag.

10. Popularity Poll cultivars must be exhibited **only** in Section 9 unless they are Youth exhibits.
11. Unusual form cultivars, registered as such, must be entered in Section 7 and **only** those listed on the official Unusual Form cultivars list may be entered in Section 7 unless they are: (1) a Popularity Poll exhibit, (2) part of a local collection, (3) a Youth Section exhibit, or (4) registered as a multiform cultivar. (Refer to Multiform Classification Code).
12. Double form cultivars, registered as such, must be entered in section 5 and only those listed on the official Double Form Cultivars list may be entered in Section 7 unless they are: (1) a Popularity Poll exhibit, (2) part of a local collection, (3) a Youth Section exhibit, or (4) registered as a multiform cultivar. (Refer to Multiform Classification Code).
13. Only one entry per named class is allowed per household.

JUDGING STANDARDS FOR ACCREDITED SHOWS

1. All judging of an accredited show will employ AHS standards.
2. All horticulture sections must be judged by AHS Exhibition judges.
3. Each panel of judges shall be the final authority for each section and group in which it judges.
4. Only the Classification Chair has the authority to disqualify any entry that is damaged or does not conform to the schedule.
5. The appropriate AHS scale of points will be used for: (1) Registered cultivars on-scape, (2) Seedlings on-scape and (3) Individual flowers of registered cultivars off-scape.
6. The AHS standard system of awards will be used.
7. All scapes receiving the AHS rosettes or purple ribbons must score 95 or above by the AHS scale of points.
8. Registered cultivars will be classified as registered, by size, and by form; they will be grouped alphabetically within each section. No distinction is to be made between the classification of diploids and tetraploids.
9. Each registered cultivar shall constitute a name class. A single entry may be given an award if the judges consider it a superior exhibit. An exhibitor may have only one entry per name class.
10. Each seedling or pre-registered cultivar (a pre-registered cultivar is considered a seedling) shall constitute a class to be judged on

individual merit. Each entry may be given an award if considered a superior exhibit.

11. If Division I, AHS Rosette eligible Sections 1-10, are subdivided or judged by more than one panel of judges, the purple awards must be point scored to determine a single winner since there is only one AHS rosette for each of these Sections.

12. Popularity Poll cultivars must be exhibited only in Section 9 unless they are Youth exhibits.

Multiform Classification Code for Shows

To assist Classification chairs in determining where to place polymerous and multiform flowers, use the Multiform Classification Code show indicated below:

Registered as:	Place in Show Section:
Double/Spider	Double, Polymerous and Multiform
Double/Unusual Form	Double, Polymerous and Multiform
Double/Polymerous	Double, Polymerous and Multiform
Double Spider/Unusual Form	Double, Polymerous and Multiform
Double Spider/Polymerous	Double, Polymerous and Multiform
Double/Unusual Form/Polymerous	Double, Polymerous and Multiform
Spider/Unusual Form	Spider
Spider/Unusual Form/Polymerous	Double, Polymerous and Multiform
Spider /Polymerous	Double, Polymerous and Multiform
Unusual Form/Polymerous	Double, Polymerous and Multiform
Polymerous	Double, Polymerous and Multiform

Please note, that it is recommended that the Classification and Tabulation committees use the AHS Online Registration Database to classify each registered cultivar by typing the cultivar name into the "Advanced Search" screen of the database. The appropriate Horticulture Division I and II show section will be shown automatically. This will make classification and placement of any registered cultivar easy and almost foolproof. A complete list of multiform-registered cultivars will be made available to each show and classification chair.

DIVISION III: EDUCATIONAL

Section 1. A display of materials available through membership in the American Hemerocallis Society

AHS STANDARD SYSTEM OF AWARDS

Judging of each cultivar in each class shall be done by the American Hemerocallis Society Standard System of Awards

Ribbons Per Class

Ribbon	Color	Limit	Score
First	Blue	1	90 or above
Second	Red	1	85 or above
Third	Yellow	1	80 or above

For registered cultivars, only one blue, red and yellow may be awarded in a given name class. For seedlings, each exhibit in the section is judged on its own merit and is thus an award-eligible class.

MAJOR AWARDS

The AHS Purple Award is awarded to each blue ribbon winner scoring 95 or more within Sections 1-10 of Division I.

The AHS Section Rosette (Best In Section Rosette) is awarded to the most outstanding purple ribbon winning entry in Sections 1-10 of Division I.

The AHS Best-in-Show Rosette is awarded to the best of the AHS Rosette winners in Sections 1-10 of Division I.

The AHS Sweepstakes Rosette is awarded to the exhibitor winning the most blue ribbons in Division I, Sections 1-10. In the event of a tie, purple ribbons will be counted. If a tie should still exist, red, then yellow ribbons will be counted.

SPECIAL HORTICULTURE DIVISION AWARDS

The **AHS Achievement Medal** is awarded to the originator of each entry of 3 scapes from a single seedling in Division I, Section 11 scoring an average of 90 points or more, and which in the opinion of the judges shows adequate merit and distinctiveness as compared with existing cultivars. Entries must be entered by number as assigned by the Classification Committee. Each of the judges on the panel assigned to judge the entries will point score each scape individually. The score sheets will be returned to the General Show Chair and Tabulation Committee Chair who will tabulate the scores. Scores will NOT be official until they have been verified by the Exhibitions Chair or the Exhibitions Committee.

The **Ophelia Taylor Horticulture Award** is awarded to every 5-scape entry in Division I, Section 12 that scores 95 or more points per scape for the 5-scape entry. The score sheets will be returned to the General Show Chair and Tabulation Committee Chair who will tabulate the scores. Scores will NOT be official until they have been verified by the Exhibitions Chair or the Exhibitions Committee.

The **AHS Award of Appreciation**, a rosette, may be given at the discretion of the local show committee, not the judges, to one or more noncompetitive educational exhibits in Division III to show appreciation for the significant efforts involved.

Horticulture On-Scape

Daylily Growers of Dallas “Down Memory Lane”
Division I, Section 13

This section is for single scapes of the cultivars listed in the general show schedule page 9. The cultivars are to be placed in containers, provided by the show committee, and arranged alphabetically from A-Z.

Each scape will be judged individually and awarded a ribbon according to the AHS Standard System of Awards. The highest ribbon available is the purple ribbon. A club award rosette is given to the most outstanding entry receiving 95 or more points.

Note: Local Rules cannot require a judge to be asked to judge induced tetraploids or species for which no registered standard exists, or to treat behavior, like double or polymerous flower characteristics, as a merit if the exhibits are not registered as such.
